

## **2011 Champions Night Information**

**Coaches,**

**Here is the information about Champions Night. After reading this if you have any questions you can contact Mike, Jeremy, or I. Here are the basics:**

**Teams Involved:** There is a 1<sup>st</sup> and 3<sup>rd</sup> place game for Feeder Teams based on Feeder Standings and a 1<sup>st</sup> place game for club or select teams. Results are based off Feeder and Overall Standings on the website.

**Dates:** March 1, 2, and 3, 2010. Game Times – 5:45 p.m., 6:45 p.m., and 7:45 p.m.

**Locations:** MICDS Field House and Fox High School.

**Costs:** Free for teams. There will be a \$2.00 Gate to cover costs for facilities, supervisor, and officials. Children ten and younger will be admitted free.

**Criteria for Breaking Ties in Standings – 1) Winning percentage, 2) Head to Head, 3) Winning Percentage for Common Opponents within Standings (That means in Feeder Standings it's Feeder vs. Feeder), 4) Winning Percentage for Common Opponents Overall. We don't believe in Points scored or allowed for a tie-breaking procedure.**

**Trophies:** A team trophy will be given to all teams that participate in Champions Night.

**Misc:** Because this is a “free” game, we reserve the right to set the game times and locations as we see needed. If two teams are from the same area we will obviously put it at the closest location. Teams have to be able to be available to play any of the nights listed. If not, we will offer it to another team next in the standings. A team must have at least .600 winning percentage to play or there will not be a Champion Night game in that division. If a team finishes first, second, or third and can not play in the Champions Night, they will still receive a trophy.
